Sommerbiere vom Fass (Summer Beers on Tap)

Warsteiner Pilsner Premium Beer A refreshing, pale golden pilsner with a clean taste perfectly balanced with hints of barley malt, subtle bottom fermenting yeast tones and mild hoppy bitterness

Warsteiner Premium Dunkel A rich dark amber beer with full-flavored, smooth taste nicely accented with satisfying notes of roasted malt and subtle bottom fermenting yeast tones.

MashCraft Kolsch Typical brewed in Cologne Germany, What is it about Kölsch? Well, it's a snappy and beautifully refreshing golden ale, bright without being overbearing. From the first sniff of its grainy, malty aroma, to the delicately fruity, lightly bitter flavors in the mouth, to the brisk, clean, energetic feeling after you swallow, a good Kölsch offers a smooth journey of sensations that may be unremarkable individually but are extraordinarily pleasant as an ensemble.

MashCraft Hefeweizen A south German style of wheat beer (weissbier) typically made with a ratio of 50 percent barley to 50 percent wheat. Sometimes the percentage of wheat is even higher. "Hefe" means "with yeast," hence the beer's unfiltered and cloudy appearance. The particular ale yeast used produces unique esters and phenols of banana and cloves with an often dry and tart edge, some spiciness, and notes of bubblegum or apples. Hefeweizens are typified by little hop bitterness, and a moderate level of alcohol.

Volunteers Needed

Your German American Klub operates 100% on volunteer power. We must utilize volunteer help for building and grounds maintenance, cleaning, organizing and helping out at public events. We have a to-do-list that is very long and growing. Every member has talents and know-how that can help keep our Klub operating and providing fun family friendly activities both for members and the public. It is our public events that generate the funds that keep us going. Please, if you have time, think about helping out at the Klub. We have needs for anyone's ability level, and time commitment.

Please call or email Michele Meyer if you can pitch in. 73mlmeyer@gmail.com or 812-350-4608
