Paving of State Road 135 to benefit GAK & German Park!!

The Federation of German Societies has been approached with a very unique opportunity. The contractor repaving State Road 135 will be storing their equipment during the day at German Park. In turn, they are offering the German Park and GAK the “millings” from the repaving (value of \$300 - \$1,200 per load depending on the grade). Further, we have a volunteer who is willing to donate his time to do the leveling/finishing work and only asks that we pay for the equipment rental/fuel. **This is a once is a lifetime opportunity for us to have our gravel drives/parking areas paved.** Estimated cost for this project is over \$150,000. Our cost is less than \$5,000.

The Federation and German Park

Unfortunately, with the pandemic, rentals are drastically down at the German Park, GAK and Soccer/Turner building and the funds are not available. The Federation is soliciting donations from the German Societies and their members to offset this cost. If you would like to make a donation, please contact Patty Johns pjohns@ibj.com or 317-445-3929. You can also send a check to the GAK and note in the comments – paving project. Thank you!!
